The Every Day Drawing Challenge is a full year of daily drawing prompts. The list is partially borrowed from the inspirational Every Day Matters blog of Danny Gregory: (tinyurl.com/m6wbar8/). In order to better learn how to paint and draw on my iPad, I followed Danny's original list and then created my own prompts to round out the year. You can see a full year of my mobile/digital drawings on Instagram (@monalilsaveshere) and on Twitter (@MonaLisaLivesHe). My middle school art students also follow the prompts to draw on iPads and sketchbooks throughout the school year. Please join us in drawing! If you share your drawings on Twitter, Instagram, or Facebook, please use the hashtags: #eddc or #everydaydrawingchallenge. Happy drawing!

Mona Lisa Lives Here/Alice Gentili 11/1/13
The Every Day Drawing Challenge is a full year of daily drawing prompts. The list is partially borrowed from the inspirational Every Day Matters blog of Danny Gregory: (tinyurl.com/m6wbar8/). In order to better learn how to paint and draw on my iPad, I followed Danny's original list and then created my own prompts to round out the year. You can see a full year of my mobile/digital drawings on Instagram (@monalisaliveshere) and on Twitter (@MonaLisaLivesHe). My middle school art students also follow the prompts to draw on iPads and sketchbooks throughout the school year. Please join us in drawing!
